

Viaggio a Genova

Monday, 02 November 2009

GENOVA. Saturday Nov 7th 2009.

We'll have a wonderful trip to discover the beauties of Genova and the "Acquario di Genova";

Registrations are open only for students of Politecnico di Milano! In Nov 4rd at 14,30 the second list may be opened.

[Click here to enrol](#) and [here to download the poster](#).

We remind to everyone that the procedure to participate to the events is (only) this:

1)
Pre-subscriptions on www.ciren.eu
(each student has to subscribe to the trip and insert his data using the form corresponding to the trip)

2)
Payment of the fee to one of the collectors. The payment is the final confirmation for the subscription.

Attention! Collectors can only gather the subscription fee to confirm STEP2. They can't insert new people, change current subscriptions or insert new data. They can't either put names in "waiting-lists". The pre-subscription can be done only personally by the student on www.ciren.eu. In this way we want to guarantee to everyone the opportunity to access the event. We thank you for the collaboration. For more information you can call 3206615352.
